Thank you, Thank you, Thank you, You're far to kind.

[Chorus]

Now can I get an encore, do you want more
Cooking raw with the Brooklyn boy
So for one last time i need ya'll to roar

Now what the hell are you waiting for
After me there will be no more
So for one last time, nigga make some noise

[Verse 1] get 'em jay

Who you know fresher than HOV'? Riddle me that
The rest of ya'll know where i'm lyrically at
Can't none of ya'll mirror me back
Ya'll hearing me rap is like hearing G. Rap in his prime
I'm Young H.O., Raps grateful dead
Back to take over the globe, Now break bread
I'm in, Boeing jets, Global express
Out the country but the blueberry still connect
On the louvre but the yacht got a triple deck
But when you young, what the fuck you expect, Yep yep
Grand opening, Grand closing
God damn your man HOV' cracked the can open again
Who you gone find doper than him with no pen
Just draw off inspiration
Soon you gonna see you can't replace him
With cheap imitations for these generations

[Chorus 1/2]

{What the hell are you waiting for?}

[Verse 2]

Look what you made me do, Look what i made for you
Knew if i paid my dues, How will they pay you
When you first come into the game, They try to play you
They drop you a couple of hits, Look how they wave to
you
From Marcy to Madision square
To the only thing that matters is just a matter of years
(yea)

As fate would have it, Jay's status appears
To be at an all time high, Perfect time to say goodbye
When i come back like Jordan, Wearing the 4-5
It aint to play games with you
It's to aim at you, Probaly maim you
If i owe you i'm blowing you to smitheriens
Cocksuker take one for your team
And i need you to remember one thing
I came i saw i conquered
From record sales to sold out concerts
So motherfucker if you want this encore
I need you to scream, til your lungs get sore.

[Lnkin' Park]

Tired of being who you want me to be
Feeling so faithless, Lost under the surface
Dont know what you're expecting of me
Put under the pressure of walking in your shoes
(calling yhe undertow jus callin' the undertow)
Every step that i take is another mistake to you
(callin the undertow jus callin the undertow)
And every second i waste is more than i can take

I've become so numb i cant feel you there
Become so tired so much more aware
I'm becoming this, All i want to do is be more like me
and be less like you
I've become so numb

[Jay-z]

Can i get an encore do you want more

[Linkin Park]

I've become so numb

[Jay-z]

So for one last time i need ya'll to roar
One last time i need ya'll to roar.
