Let's dance in style, let's dance for a while
Heaven can wait, we're only watching the skies
Hoping for the best but expecting the worst
Are you gonna drop the bomb or not?

Let us die young or let us live forever
We don't have the power but we never say never
Sitting in a sandpit, life is a short trip
The music's for the sad man

Forever young, I wanna be forever young
Do you really want to live forever?
Forever and ever

Forever young I wanna be forever young
Do you really want to live forever?
Forever, forever

So we live a life like a video when the sun is always out
And you never get old and the champagne's always cold
And the music is always good and the pretty girls
Just happen to stop by in the hood

And they hop their pretty ass up on the hood of that
pretty ass car
Without a wrinkle in today 'cause there is no tomorrow
Just some picture perfect day to last a whole lifetime
And it never ends 'cause all we have to do is hit rewind

So let's just stay in the moment, smoke some weed,
drink some wine
Reminisce, talk some shit, forever young is in your
mind
Leave a mark that can't erase neither space nor time
So when the director yells cut, I'll be fine, I'm forever
young

Forever young, I wanna be forever young
Do you really want to live forever?
Forever and ever

Forever young I wanna be forever young
Do you really want to live forever?
Forever, forever

Fear not when, fear not why, fear not much while we're
alive
Life is for living, not living up tight, see ya somewhere
up in the sky
Fear not die, I'll be alive for a million years, bye bye
So not for legends, I'm forever young, my name shall
survive

Through the darkest blocks, over kitchen stoves over
Pyrex pots
My name shall be passed down to generations
While debating up in barber shops, young slung, hung
here, shorty
The nigga from here with a little ambition
Just what we can become here

And as the father passed his story down to his sons
ears
Younger kid, younger every year, yeah
So if you love me, baby, this is how you let me know
Don't ever let me go, that's how you let me know, baby

Forever young, I wanna be forever young
Do you really want to live forever?
Forever and ever

Forever young I wanna be forever young
Do you really want to live forever?
Forever, forever

Slamming Bentley doors, hopping out of Porsches
Popping up on Forbes lists, gorgeous, hold up
Niggas thought I lost it, they be talking bullshit
I be talking more shit, they nauseous

Hold up, I'll be here forever you know I'm on my fall shit
And I ain't waiting for closure, I will never forfeit less
than four bars
Guru bring the chorus in, did you get the picture yet?
I'm painting you a portrait of young

Forever young, I wanna be forever young
Do you really want to live forever?
Forever and ever

Forever young I wanna be forever young
Do you really want to live forever?

Forever, forever
