Don't wanna sound full of myself or rude
But you ain't looking at no other dudes 'cause you love
me
(I'm sorry but so sexy)
So you think about a chance
You find yourself trying to do my dance
Maybe 'cause you love me
(Uh, you do it well)

So then we tried, I think you need to slow down
Because you weren't used to how fast we touched
(Fast we touched)
Then we locked eyes and I knew I was in there
And I was gon' tear ya ass up
(Tear ya ass up)

I know that I'm carrying on, never mind if I'm showing
off
I was just frontin
(You know I want ya, babe)
I'm ready to bet it all unless you don't care at all
But you know I want ya
(You should stop frontin, babe)

Trying to be the best girlfriend you could be
But still you sneak and look at me and girl I love it
Then you give your other girl a shove
Tell her you gon' calm her ass how it was
And she's gon' love it
(Whoa, oh, whoa, yeah, yeah)

So then we tried think we should slow down
Because you weren't used to how fast we touched
(Fast we touched)
Then we locked eyes and I knew I was in there
And I was gon' tear ya ass up
(Tear ya ass up)

I know that I'm carrying on, never mind if I'm showing
off
I was just frontin
(You know I want ya, babe)

I'm ready to bet it all unless you don't care at all
But you know I want ya
(You should stop frontin, babe)

We got another one Pha-real, dance
I call you Pha-real 'cause you the truth
Young, Great Hov
Yeah, dance, lemme talk to 'em, I'ma keep it real

Every time your name was brought up
I would act all nonchalant in front of an audience
Like if you was just another shorty I put the naughty on
But truth be told, you do for a loop this hole

I'm too old to be frontin when I'm feeling Denzel
And you acting like you ain't appealing when you are
Stunting like you ain't my only girl when you are
(I was just frontin)
I'm ready to stop when you are

I know that I'm carrying on, never mind if I'm showing
off
I was just frontin
(You know I want ya, babe)
I'm ready to bet it all unless you don't care at all
But you know I want ya
(You should stop frontin, babe)

Come on, dance, dance
You like dis for real, thank you, baby
Look, I'm leaving now, I'll see you later
I'ma sneak through your window, bye
