Imma give y'all Ghetto Techno 5 seconds to call your waitresses,

If you on that Ace get ready to spray the club,
yeah, gonna need an umbrella tonight,
I'm going in,

come on,
5, come on
4, i said come on,
3ö 2ö1

We make sure we pouring champagne
marching away our sorrow,
cos we don't wanna feel the damn pain,
i hope i'm hungover tomorrow
cos i don't wanna feel a damn thing
no i don't wanna feel a damn thing,
uh uh
No No,

[Chorus]

Now everybody throw a shot glass
shot glass, shot glass
raise yo empty shot glass
shot glass, shot glass
I survived more shots than Pac had
Pac had, Pac had,
Some more shout outs for Pac man,
Poppa and Pac

Bring it back,
I be on that Vodka tonic twister bomb,
I used to mix it with OJ,
ö with me all the time,
but now i got so much on my mind,
i said i need it stronger,

got too much on my mind,

[Chorus]

Now everybody throw a shot glass
shot glass, shot glass
raise yo empty shot glass
shot glass, shot glass
I survived more shots than Pac had
Pac had, Pac had,
Some more shout outs for Pac man,
Poppa and Pac

Im on my new sh-t ghetto techno, uh,
Jimmy Hendrix, I'm so lâ€¦.

Ace of Spades coming out of my pours,
Peep the words coming out of my mouth,

y'all not in my league,
so when i come in the club get em outta my seats,
blank checks in my banquet,
black cards and you already now what the name says,
You can call me HOV I to the E, ah HOV,
I bus like Nastransit and y'all fake bust like Pamela
Anderson,
I ball like an NBA owner,
you might boner,

[Chorus]

Black diamonds in my neck glow, uh,
lights bouncing off my chain like a disco,
got me back to the old me,
I'm in the club getting bucket after bucket like Kobe,
In the clubs I MC,
I bring models to the table like ING,
Honeys white but she dance black,
had to ask lil broad how she dance like that, uh,

Table full of Ace like a deck of cards,
â€¦ rollin green up
we got one up looking like a Loc with the meaner
But I aint doing nothing that can get back,
I know half the club wanna twitter that,
tweet tweet, i smell the bird and the rap,
but I aint doing nothing butâ€¦

[Chorus]

Johnny Patrone haha, we got em,
ey I need a medusalum
