I think it's time for me to go hard as the hood I'm from
I think it's time for me to go hard as the hood I'm from
I think it's time for me to go hard as the hood I'm from
I think it's time for me to go hard as the hood I'm from

If you could you would get rid of me
What you gon' do when a nigga got to go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you were as real as me
You would never let another nigga step in yo yard
Makin' money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go
You got another way to live, you gots to go on
I am gettin' it in until the end
I got to go, go, go, go, go hard

I go the hardest, flow so retard
I'm disgusted with myself I mean ughh, were do I start?
First I stand around and vomit, then I shit up on it
Fuck the beat up so bad, won't no body get up on it

I flow sick, nigga how sick sea sick
Got your hand out don't look at me, bitch
You lookin' at who made me rich
You lookin' at who made me rich

I have some wins some losses
Just a life of a god damn boss's
With the top off lookin' for a girl
With a ass as fat as Tracy Roselet

This is dope as is get
Dope as a mother fuckin' acid trip
Fly as 57 passengers
This finna be another classic bitch

Everybody know I get it

If you want it then get at it
But I ain't gon' have it
No, I ain't gon' have it

If you could you would get rid of me
What you gon' do when a nigga got to go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you were as real as me
You would never let another nigga step in yo yard
Makin' money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go
You got another way to live, you gots to go on
I am gettin' it in until the end
I got to go, go, go, go, go hard

I ain't never been scared
Never been a type to bite my words
When I came up y'all gave me shit
Now I'm finna make y'all eat them turds

Always said what the fuck I felt
Gon' head spit that murder I wrote
Man, I don't care what you felt
Fuck you nigga I know I'm dope

Dope like I'm comin' to get my all
Felt like I had to play the fly on the wall
Felt like niggas was stuntin' on me
Funny how I'm flyer then them all

Now I'm at the top, ain't know where to go now
Instead of me she gon' go down
Maybe I would of slowed down if I knew
What I knew now

I'm Scooby, I know I'm dumb
It's a fuckin' get old, but it's good I'm young
But my heart get cold as the hood I'm from
Tell me what it take to be numba one

I guess it's gon' be what it's gon' be
But here's one thing you got to hear
I'ma tell you like George Bush told me
Fuck y'all niggas I'm out of here

If you could you would get rid of me
What you gon' do when a nigga got to go hard?

But I won't let you get to me
You should already figure I'ma go hard

If you were as real as me
You would never let another nigga step in yo yard
Makin' money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go
You got another way to live, you gots to go on
I am gettin' it in until the end
I got to go, go, go, go, go hard

I think it's time for me to go hard as the hood I'm from
I think it's time for me to go hard as the hood I'm from
I think it's time for me to go hard as the hood I'm from
I think it's time for me to go hard as the hood I'm from

If you could you would get rid of me
What you gon' do when a nigga got to go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you were as real as me
You would never let another nigga step in yo yard
Makin' money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go
You got another way to live, you gots to go on
I am gettin' it in until the end
I got to go, go, go, go, go hard
