Who da fuck can stop us, niggaz?
It's gangsta, niggaz
It's gangsta, it's gangsta, nigga
All g-g-gangsta, nigga

Green light, go, go, go, go, go, go
Go, go, go, go, go, go
You got the green light
To drag your motherfuckin' mink

Green light, go, go, go, go, go, go
Throw your pinkie ring
High in the motherfuckin' air
Go, go, go, go, go, go
Drop your top, c'mon

Now, I done told y'all niggaz once before
Y'all don't know who you fuckin' wit
Y'all gon' fuck around
And make me come up out this music biz
(Don't make me)

This just a record deal, y'all motherfuckers been on
some shit
Bite my style, tryin' to get rich so I decided to flip my
shit
Benefit me like a tight outfit, like Mr. Biggs' about to
have a fit
It's, about to be some shit
(Please, believe it)

See, Vindawg and Dreshal got a nigga real open, y'all
I see haters peepin' me, lookin' hard like a pussy
Same fight, different round, same circus, different
clown
Same pussy, different town, assholes, how you like me,
now

Kel' and Jigga, the best of both niggaz
Put two heads together, mean mo' figures
Word to Tigger put me off up in the 'Bassment'
With the rest of the rap niggaz, watch ratings get

bigger

I'm a pimp of this music, the tracks be my hoes
Sisqo, don't make me kick you out like Devoe
Haters left, players right, green light

Go, go, go, go, go, go
You have the green light
To be as pimp as you want to
Go, go, go, go, go, go

Green light, go, go, go, go, go, go
Go, go, go, go, go, go
Green light, go, go, go, go, go, go
Go, go, go, go, go, go

Green light, go, go, go, go, go, go
Oh, dis gangsta!
Go, go, go, go, go, go
It's so muh'fuckin' gangsta

Psycho, like no bitch ass, niggaz
Don't wanna see the R.O.C. so you creep low
Shoot from the line like a free throw
With this 'nali of mine like a Pi-co

Leave niggaz far behind like a cheap hoe
On my grind every time that you see Hov'
Yeah I got it, come and get it, green light, go
(Go)
Red dot, I stop ya, yellow niggaz move slow

Red dot I got 'em, tell that nigga move slow
Head shots pop 'em when I let the uz' go
He done told fool

Dunn think Dunn loc' in when a gun smokin'
Tell Dunn I been gun totin'
He don't know he facin' death
Hockey mask on Jason's step

Don't make me pop past your Raisinette
You niggaz cow ass
You bullshit, I pull shit and keep a full clip

Go, go, go, go, go, go
Go, go, go, go, go, go
Green light, go, go, go, go, go, go
Go, go, go, go, go, go

Green light, go, go, go, go, go, go

Go, go, go, go, go, go
Green light, go, go, go, go, go, go
Go, go, go, go, go, go
