Hello Brooklyn

Hello Brooklyn, how you doin'?
Where you goin'? Can I come to?
And if I can, I'm a be your man
You could be my lady and have my baby

And drive my car and drive me crazy
Wherever you goin', baby girl just take me
'Cause I'm so taken, if you taken
I'm just sayin' baby, I'm just sayin'

Like a mama you birth me, Brooklyn you nursed me
Schooled me with hard knocks, better than Berkeley
They said you murked me by the time I was twenty one
That shit disturbed me but you never hurt me

Hello Brooklyn, if we had a daughter
Guess what I'm a call her, Brooklyn Carter
When I left you for Virginia, it didn't offend you
'Cause you know I only stepped out to get dinner

And I'm eatin', so much I bought extra
So much so the dinner's now turnin' to breakfast
I only roll Lexus, to hug your road
I love your corners, I'm half your soul

Hello Brooklyn, how you doin'?
Where you goin'? Can I come to?
And if I can, I'm a be your man
You could be my lady and have my baby

And drive my car and drive me crazy
Wherever you goin', baby girl just take me
'Cause I'm so taken, if you taken
I'm just sayin' baby, I'm just sayin'

Hello Brooklyn, what's your story?
She said, she eatin' on the run but she ain't N.O.R.E.
She said, she got a man but he ain't worried
But baby, I'm a have to Rob him like Horry

She said, she love B.I.G. and she like 2Pac
And when I said Jay-Z, she said it's The ROC
And I'm a leave it like this, like this like that
Where Brooklyn at? Where Brooklyn at?

Have you seen her?
And when she tell you somethin' you better believe her
She told me she like my New Orleans demeanor
And so I said, "Goodbye Katrina"

And hello Brooklyn
But baby you are the sweetest sight eyes could see
I said, "Hello Brooklyn"
But baby I hope you never say goodbye to me

I said, "Hello Brooklyn"
But but baby you are so damn fine to me
And I remember the time, place and the weather
On the day you said hi to me and let's say hello
Brooklyn

Brooklyn we crazy, look how you made me
Razor blades in my mouth walkin' 'round behavin'
Or demented black hoodies and Timberlanded
Always schemin' you see the green on that niggas
pendant

Hello Brooklyn, you bad influence, look what you had
me doin'
But I ain't mad at you, look at my attitude
It says my life's too real, check out my ice grill
Baby I'm cold as ice, like I'm from Brownsville

But my Bed's in the Stuy, so while I Flatten your Bush
Till we smoke a C.I. what up to the boy B.I.
You know I handle B.I., I don't half step on a Kane
Ask the dreads 'bout I, how you gwaan so?

She like it hardcore, so I grind slow
Iller than Albee Square Mall back in the 9-0
My fine hoe we got some victims to catch
So in a couple years baby, I'm a bring you some Nets

Hello Brooklyn, how you doin'?
Where you goin'? Can I come to?
And if I can, I'm a be your man
You could be my lady and have my baby

And drive my car and drive me crazy
Wherever you goin', baby girl just take me
'Cause I'm so taken, if you taken

I'm just sayin' baby, I'm just sayin'

Hello Brooklyn

But but baby, you are the sweetest thing eyes could
see

Hello Brooklyn

Baby, I hope you never say goodbye to me

I said, "Hello Brooklyn"

But baby, you are so damn fine to me

But I remember the time, place and the weather

On the day you said goodbye to me
