It's that hop I'm talkin' bout right here Timbo
I can't be stopped when it hop like this family
(Uno, dos, tres, cuatro)

They say hola' hovito
That's what they sayin' when I roll up with my people
My music bangin' like them vatos locos got rap in a
chokehold
And I won't surrender it with, beats by Timbaland
Calle-te la boca, my baby
All I wanna, do is, stroke ya all crazy
My, dick game is vicious, insane at bitches
Mami keep comin' back 'cause mami came vicious

Catch hov' in the drop, nasty thang lane switchin'
Once you turn your neck for a sec your dame's missin'
Bujando, bujando, the cops is comin'
Got that rap patrol behind yo, get to runnin'
I'm unstoppable hov', untoppable flows
I'm the compadre, the Sinatra of my day
Ol' blue eyes my nigga, I did it my way
If y'all not rollin' with hov' then hit the highway

(Hola' hovito)
Yeah, yeah
(Hola' hovito)
Yeah that's what they sayin'
When that music get to bangin'
Put it down for my people
(Hola' hovito, hola' hovito)
Yeah yeah that's what they sayin'
When that music get to bangin'
Put it down for my people

Yeah, yeah, yeah
Yeah naw I don't fuck around, stay on my J O
Hov' been about that dough since I was a day old
Oh, push perrico if I need to for the rule of evil
Was born in the belly that's the way the streets breed
you
One life to live notice you get no sequel
So I truly got to live this like my last movie

Six oohie, jewels drippin', big toolie
I ball for real, y'all niggaz is Sam Bouie

And with the third pick I made the earth sick
M.J., hem Jay, fade away perfect
I rhyme sicker than every rhyme spitter
Every crime nigga that rhyme or touch a mic
Because my mind's quicker
I'm a eighty-eighter, nine-six to "Reasonable Doubt"
Temper short, don't take much to squeeze you out
Yeah you shinin' but the only thing you're leavin' out
You're a candle in the sun that shit don't even out

(Hola' hovito)
Yeah, yeah
(Hola' hovito)
Yeah that's what they sayin'
When that music get to bangin'
Put it down for my people
(Hola' hovito, hola' hovito)
Yeah that's what they sayin'
When that music get to bangin'
Put it down for my people

Hold up, now muh'fuckers, y'all muh'fuckers
Better run to the post office and get a job muh'fuckers
Or starve muh'fuckers, 'cause Jay's been the only one
Eatin' thus far sub-par muh'fuckers
Naw even though y'all hate I love y'all muh'fuckers
Friend or foe y'all all my muh'fuckers
If you haven't heard, I'm Michael Magic and Bird
All rolled in one, 'cause none got more flows than
Young

Plus got more flows to come
And if I ain't better than Big, I'm the closest one
So move over hoes, choose Hova
My food for thought so hot it give you dudes ulcers
Rovers, roasters, poseurs
Gettin' it in with me, livin' like they supposed to
Watches, chain, front row at the game
Sold out arena, all screamin' my name, c'mon

(Hola' hovito)
Yeah, yeah
(Hola' hovito)
Yeah that's what they sayin'
When that music get to bangin'
Put it down for my people
(Hola' hovito, hola' hovito)
Yeah that's what they sayin'

When that music get to bangin'
Put it down for my people
