You take the clothes off my back and I let you  
You steal the food right out of my mouth and I'd watch  
you eat it  
I still don't know why, why our love is so much  
Ow!  
You curse my name in spite  
To put me to shame  
Air all my laundry in the streets dirty or clean  
Give it up for fame but I still don't know why  
Why I love it so much yeah!  
And baby it's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here  
One day you there  
One day you care  
You're so unfair sipping from your cup  
Till it run it over  
Holy Grail

Blue told me to remind you niggers  
Fuck that shit y'all talking about I'm the nigger  
Caught up in all these lights and cameras  
But look what that shit did to Hammer  
God damn it! I like it  
The bright lights is enticing  
But look what it did to Tyson  
All that money in one night  
30 mill for one fight  
But soon as all the money blows,  
All the pigeons take flight  
Fuck the fame keep cheating on me  
What I do I took her back  
Fool me twice that's my bad  
I can't even blame her for that  
Nothing to make me wanna murder  
Mamma please just get my bail  
I know nobody to blame  
Kurt Cobain I did it to myself

And we all just entertainers  
And we're stupid and contagious  
No we all just entertainers  
And baby it's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here  
One day you there  
One day you care  
You're so unfair sipping from your cup  
Till it run it over  
Holy Grail

Now I got tattoos on my body  
Psycho bitches in my lobby  
I got haters in the paper  
Photo shoots with paparazzi  
Can't even take my daughter for a walk  
See em by the corner store  
I feel like I'm cornered off  
Enough is enough I'm calling this off  
Who the fuck I'm kidding though?  
I'm getting high Sitting low  
Sliding by in that big body  
Curtains all in my window  
This fame hurt but this chain works  
I think back you asked the same person  
If this is all you had to deal with  
Nigger deal with it, this shit ain't work  
This light work camera snapping my eyes hurt  
Niggers dying back where I was birthed  
Fuck your iris and IRS  
Get the hell up off of your high horse  
You got the shit that niggers die for  
Dry yours why you mad?  
Take the good with the bad  
Don't throw that baby out with the bath water  
You're still alive, still that nigger  
Niggers you survived, youre still getting bigger nigger  
Living the life is in the villa  
In a villa illest nigger alive  
Michael Jackson Thriller

And baby it's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here  
One day you there  
One day you care

You're so unfair sipping from your cup  
Till it run it over  
Holy Grail

You get the air ooff my lungs whenever you need it  
And you take the blade right out of my heart  
Just so you can watch me bleeding  
I still dont know why, why I love you so much  
Yeah!

And you play this game  
In spite to drive me insane  
I got it tattooed on my sleeve  
Forever in ink with guess whose name?  
But I still don't know why, why love you so much  
(Thanks for warning me)

And baby it's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here  
One day you there  
One day you care  
You're so unfair sipping from your cup  
Till it run it over  
Holy Grail
