Now you dun heard a lot of talk about me and my  
niggaz  
Them outlaw world-wide my figures.  
From triumph to tragedy,  
To right back on top the niggaz still mad at me.  
For pushin that big truck on 24's a square feat in ATL  
game (?)  
Man dats what my nigga got shot for,  
bein to motha fuckin wrong for dis footballs.  
See the darkness see the light he wanna feel it  
Misery loves pumpin me  
And that's the real shit  
But in 2005 im on some ill shit  
Four niggaz sneak upon my and peel this.  
I'm takin a stand when i get in home killa, like them  
niggaz in pakistan  
It's simple, gotta git em fore' i die like the old west see  
how we low tex da ride.

(Chorus)

I know mama, you did your best at raisin' me.  
Now your baby dun became a G.  
When i'm out in them streets  
the only one that got me is me.  
I keep my hand upon my heat.  
Cause you know mama,  
you didn't raise no bitch  
so if a nigga wanna get at me  
I be out in them streets, my thang cocked  
Cause really all I got in the game everyday is me  
Real talk.

Everyday is a new challenge  
I'm a savage in my new balance  
A lot of rappers but not enough raw talent  
Blame the machine but fuck it i'm a hustla bitch  
So we start our own label sellin' bricks lajit  
Power to the people  
A lot of power in my pencil  
We da hope for the hopeless  
The voice for the voiceless

Outlaw soliers, we still in the game  
Years later last members fuckin feelin the same.  
Straight from the heart  
makin em walk  
Live for the day dont wait for tomorrow  
Hatas gettin they wrong  
I seen tha streets rap  
Rounda tough with some niggaz  
I seen (?) put religion in the roughs of some niggaz.  
They say gansgtaz dont live that long  
Too many turn-coals  
Thats fucked up puttin cuffs on your folks  
Coincidental the outlawz instrumental  
And raisin a thug nation we influential

Them outlaw world-wide my figures.  
From triumph to tragedy,  
To right back on top the niggaz still mad at me.  
For pushin that big truck on 24's a square feat in ATL
