Give it to me  
Give it to me  
Give it to me  
Give it to me

Give it to me  
Give it to me  
Give it to me

Every time I think about the  
Way you feel I get excited, so excited  
The thought of you right next to me  
There are no words that  
Can describe it, can describe it

I can't hide this feeling I feel  
When I'm close to you  
When I'm close to you  
When I'm close to you

Stop wasting time playing games  
Girl, just give me all of you  
Give me all of you  
Right now, right this way

I just can't help  
But you keep my eyes on you  
Girl, I got to have it  
I got to have it  
I got to have it

Baby, I got to have it  
Because I want  
Your eyes are so sexy  
Girl, you got to

Give it to me  
Give it to me  
Give it to me  
Give it to me

Girl, the way you look

It makes me wanna  
Take off all your clothes  
Take off your clothes

I love you legs, your hips  
Your lips, your skin  
Girl, I can't take it no more  
So come on over

I can't hide this feeling  
I feel when I'm close to you  
When I'm close to you  
When I get close to you

Stop wasting time playing games  
Girl, just give me all of you  
Give me all of you  
What am I gonna do?

I just can't help  
But you keep my eyes on you  
Girl, I got to have it  
I got to have it  
I got to have it

Baby, I got to have it  
Because I want  
Your eyes are so sexy  
Girl you got to

Give it to me  
Give it to me  
Give it to me  
Give it to me

Give it to me  
Give it to me  
Give it to me  
Give it to me

Ooh baby, are you feeling this?  
Ooh baby, can I get a kiss?  
Let me hear you say

Give it to me  
Give it to me  
Give it to me  
Give it to me

I just can't help  
But you keep my eyes on you

Girl, I got to have it, your love's incredible  
I got to have it  
I got to have it

Baby, I got to have it  
Because I want  
Your eyes are so sexy  
Girl, you got to

Give it to me  
Give it to me  
Give it to me  
Give it to me

I just can't help  
But you keep my eyes on you  
Girl, I got to have it  
I got to have it  
I got to have it

Baby, I got to have it  
Because I want  
Your eyes are so sexy  
Girl, you got to

Give it to me  
Give it to me  
Give it to me  
Give it to me

Give it to me  
Give it to me  
Give it to me  
Give it to me
