**(feat. Beanie Sigel)**

Yessir!  
Just the sound of his voice is a hit!  
Ya'll niggas got me really confused out there  
I make "Big Pimpin" or "Give It 2 Me", one of those...  
Ya'll hail me as the greatest writer of the 21st Century  
I make some thought-provoking shit  
Ya'll question whether he falling off  
I'ma really confuse ya'll on this one  
Follow....

When them tops come down, chicks tops come down  
Like when them shots come out make cops come  
around  
When the blocks come out I can wake up a small town  
Finish off the block then I make my mall rounds  
When them stares get exchanged then the 5th come  
out  
The tough guy disappears then the bitch come out  
"That's him" -I'm usually what they whisper about  
Either what chick he with, or his chip amount  
Cause I been doing this since CHIPS was out  
Watchin' Erik Estrada baggin' up at the Ramada  
Table full of powder, AC Broke  
'Bout to take another shower on my 25th hour  
Spike Lee's everywhere, game or the flight  
You might see me anywhere, day in the life  
Only thing changed the tail number on the flight  
I can touch down and take off the same night

I'm so bossy  
Bitch get off me  
Trick get off me  
You cant get shit off me  
I'm so flossy  
No 6-exhaust breeze  
laid back, Maybach's  
Don't even talk to me!

This is that ignorant shit you like  
Nigga, fuck, shit, ass, bitch, trick, plus ice

C'mon, I got that ignorant shit you love  
Nigga, fuck, shit, maricon, puta, and drugs  
C'mon, I got that ignorant shit you need  
Nigga, fuck, shit, ass, bitch, trick plus weed  
I'm only trying to give you what you want  
Nigga, fuck, shit, ass, bitch, you like it don't front

They're all actors  
Looking at themselves in the mirror backwards  
Can't even face themselves, don't fear no rappers  
They're all weirdos, DeNiro's in Practice  
So don't believe everything your earlobe captures

Its mostly backwards  
Unless it happens to be as accurate as me  
And everything said in song you happen to see  
Then actually, believe half of what you see  
None of what you hear even if its spat by me  
And with that said, I will kill niggas dead  
Cut niggas short, give you wheels for legs  
Im a K-I- double -L-E-R  
See ya'll in hell  
Shoot niggas straight through the E.R.  
Whoa- this ain't B.R., no  
Its S.C., C.E.O., the next Lyor?  
No, the next leader of the whole free world  
And the first thing i'ma do is free Sigel, GO!

Take off the cuffs, unlock the gate  
Its that ignorant nigga that you love to hate  
The '07 Ice Cube, B. Sig so rude  
Tell a trick, get these nuts, eat dick like food  
Now see if I care if this verse get aired  
Even if you mute it the curse is there, yeah  
I'm so raunchy, bitch get off me  
Keep my flea collar on, you lil ticks get off me!

I missed the part where it stopped being about Imus  
What do my lyrics got to do with this SHIT?  
SCARFACE the movie did more than Scarface the  
rapper to me  
Still that ain't the blame for all the shit that's happened  
to me  
Are you saying what I'm spitting,  
Is worse than these celebutes showin' they kitten,  
you kidding?  
Lets stop the bullshittin'  
Til' we all without sin, let's quit the pulpit-ing  
SCARFACE the movie did more than Scarface the  
rapper to me  
Still that ain't the blame for all the shit that's happened

to me  
Lets stop the bullshittin'  
Til' we all without sin, let's quit the pulpit-ing, c'mon!

This is that ignorant shit you like  
Nigga, fuck, shit, ass, bitch, trick, plus ice  
C'mon, I got that ignorant shit you love  
Nigga, fuck, shit, maricon, puta, and drugs  
C'mon, I got that ignorant shit you need
