[Verse 1 - Cassidy]

I'm so nice I'd bet my life I guess I got gambling
problems
You scramblers can't handle the problems, STOP, I win
a lot
When I bet so I spend a lot, the rocks on my neck they
weigh more
Than a cinder block, to move forward I had to guard
and defend the
Rock and I got more blocks than synagogue, Shaq start
to get loud when
I send the shots, hit this drama I'm like Douma you
dinner opp
Cause you's not no contender opp, I make um sick to
they gut when I
Pick up the pen and jot, I grind on summer hustle all
winter opp
You working wit a burger to, you still a beginner opp
They bring in chips in when I cock, Scarface died of a
14/5
I give 'em 10 a watt, lets get around break it down get
10 a rot
My clip switch is at 6 and 10 o'clock, I workin with the
raw thug
And I be in the spot, you working with the law thug you
should of

Been a cop, I don't care if you've been shot
pen or not
Pussy I'll pull it, give you A bullet in a box

[Chorus - Jay-Z]

I'm a hustler, I'm a-I'm a hustler homey
I'm a hustler, I'm a-I'm a hustler homey
Nigga ask a... nigga-nigga ask about me
Nigga ask a... nigga-nigga ask about me
I'm a hustler, I'm a-I'm a hustler homey

[Verse 2 - Cassidy]

You a bitch ass nigga, snitch ass nigga, I'm the type to
get cash
Quick fast nigga, Cass is a rich ass nigga, I got it on
smash I make
Hits and your shit trash nigga, naw you ain't hot at all,
so when the
Media asks if I fuck wit a lot of y'all I'm like not at all,
the last
Cat I heard rapping I knotted off, so I ain't fucking with
nothing
If I'm not involved, My one liners make rhymer's need
tylenol, and I've
Been sick with the hook since I wrote Got it off, for
kissin Eve, I
Flip the keys, I got 20's of the Christmas trees with no
sticks and
Seeds, that'll get you higher than a muthafucka, I'm a
pretty type guy
Flyer than a muthafucka, I'm a hustler wit time and a
plan, When I
Perform its more than 2000 in the stands, I been
getting thousands to
The grams, that's why I'm on the cover of the Source
with 10,000 in
My hand, the reason I be smiling for my fans, is
because I ain't
Trying lose my deal like I'm Dylon from The Band, man,
these niggaz
Acting like thugs, but they ain't never squeeze, these
niggaz
Acting like bloods its cuz they ain't never bleed, we all
thugs I'm
A better breed and you can't say that I don't come back
to the hood

Cuz I ain't never leave, and shit change, shit the same
wit this
Cheddar cheese, I just cop betta coke and smoke betta
weed, I'm single
So I get the hoes that I want, I had the #1 single and
went gold
In a month what you want
