That bloke from Oasis said I couldn't play guitar  
Somebody shoulda told him I'm a fuckin rock star  
*[imitating "Wonderwall"]* Today, is gonna be the day  
That I'm gonna throw it back to yooooooooo  
I'm livin life as a rocker, I'm like Pimp C, pat'na  
Comin down in Mercedes, peelin off on the boppers  
Worldwide show, I'm comin down in a chopper  
Hundred eighty-thou screamin "Hov!" with the Roc up  
It's too easy!!! I got ladies on shoulders showin me  
they chi-chis  
I met honey at the show last year  
And now I'm actin brand new like a (world premier)  
Yeah, I know life ain't fair  
But chill, baby girl - MY GIRL IS HERRRE!  
I got models in a mosh pit  
Dancin off-beat, but they know the words to my shit!
