Verse 1:]

Me and You

Been kickin' it for sometime

Shorty, you ain't let me know what's on your mind

I remember when cheatin' on my girl was once my  
steez

But the love's so good

You got me on my knees askin'

Please can we?

[B Section:]

Make love tonight

Feel so right

Hold you tight

Take my sweet time

To let you know how I am feelin' for you

So tight, your love is right

Keeps me up girl, all night

I love the way you hook me up girl

[Hook:]

Always hook you up, if you keep it real

Your love girl, I'll keep it real

You have got me stuck on how good it feels

It feels so good to me my baby

[Verse 2:]

Boy you know

I'm sittin' here outta my mind

'Cause I never thought I'd find

Someone to spend my time with

And the way you've opened up to me

Lets me know

That you're the one for me

So tell me can we?

[B Section:]

Make love tonight

Feel so right

Hold you tight

Take your sweet time

Boy let me know how you feel  
Your lovin' is  
So tight, your love is right  
Keeps me up boy, all night  
I like the way you give it to me

[Hook:]

Always hook you up, if you keep it real  
Your love girl, I'll keep it real  
You have got me stuck on how good it feels  
It feels so good to me my baby

[Rap:]

Yo, realer than my late night creeps  
You understanding me  
The genuine article I can't fade sleep  
Jay-Z, the king of the one nights  
I can't stay forever, love  
I get it done right  
And I shall return to sweat out your perm  
Cutie I would truly do damage to your dooby  
That's the deal, ma  
That's the deal of the deal  
I keep it real, what  
I keep it realer than real  
Word to my life...Jigga
