I like to slow dance I like to romance
I like to (what) stroll through the park holdin hands
ask me how my day was tell me Ma looking pretty
on Sundays in the cut watchin Sex And The City
havin long talks and good lovin in the morning
walk them dogs when my body is callin
fresh air for cuts a wound with the line
no stress of course cause I don't have the time
like to wine and dine but please hold your liquor
cause I'm rollin with ya and I hate a silly nigga
like em rough and rugged love it when you tug it
buggin out of line on that thug shit it's nothing
dealt with cats before that I had to train
dealt with cats that's poor and a cat with fame
one that played basketball and I had more game
so por favor papi stay in your lane
