(Never, never, never, never change)
I never change, this is Jay every day
(I never change)
I never change, this is Jay every day
(I never change)
I never change, this is Jay

I am a, Roc representer
Hov', summer to winter, Hov', dead or alive
Twenty four seven, three sixty five
One CD or three hundred and sixty pies
Whasup to E and Kirk? Welcome home to Taj
Let no amount of money ruin this thing of ours
We run streets like drunks run street lights
We collidin' with life as we speak

We knee deep in coke, we ki deep in ice
We flood streets with dope, we keep weed to smoke
We all fish, better teach your folk
Give him money to eat, then next week he's broke
'Cause when you sleep, he's reachin' for your throat
Word on the skreet, you reap what you sow
Not out of fear but love, love for the game
Roc family first, we never change mayn

(Never, never, never, never change)
I'm still fuckin' with crime 'cause crime pays
(I never change)
Out hustlin', same clothes for days
(I never change)
I never change, I'm too stuck in my ways, I never
change
Who you know like Hov'?
(Never, never, never, never change)
I'm still fuckin' with crime 'cause crime pays
(I never change)
Out hustlin', same clothes for days
(I never change)
I never change, I'm too stuck in my ways, I never
change

What's up to my Miami and St. Thomas connects

I'll never mention your name, I promise respect
Death before dishonor, correct what?
Yup that's what you promised me, since the
[incomprehensible] lee
Along with, if we stay strong
We can get paper longer than Pittman's arms
Plead the fifth when it comes to the fam
I'm like a dog I never speak, but I understand

Where my dogs at? Where my soldiers at war?
Where your bars at? Whoa, gotta pause that
Lost ninety-two bricks had to fall back
Knocked a nigga off his feet, but I crawled back
Had A-1 credit, got more crack
From the first to the fifth, gave it all back
If, I'm not a hustler what you call that?
This is before rap, this is all fact
I never change

(Never, never, never, never change)
I'm still fuckin' with crime 'cause crime pays
(I never change)
Out hustlin', same clothes for days
(I never change)
I never change, I'm too stuck in my ways, I never
change
Who you know like Hov'?
(Never, never, never, never change)
I'm still fuckin' with crime 'cause crime pays
(I never change)
Out hustlin', same clothes for days
(I never change)
I never change, I'm too stuck in my ways, I never
change

What, the streets robbed me, wasn't educated properly
Well fuck y'all, I needed money for Atari
Was so young my big sis' still playin' with Barbie
Young brother, big city, eight million stories
Old heads taught me, yung'un, walk softly
Carry a big clip, that'll get niggaz off me
Keep coke in coffee, keep money smellin' mothy
Change is cool to cop but more important is lawyer fees

That's how it is now that's how it always be
I never change, this is always me
From the womb to the tomb, from now until my doom
Drink army from one cup pass it around the room
That's the ritual Big Ran, I ain't forget you fool
And all that bullshit you tryin' to get through
This is crew love, move music or move drugs

Rival crews get your black suits up I never change

(Never, never, never, never change)

I'm still fuckin' with crime 'cause crime pays

(I never change)

Out hustlin', same clothes for days

(I never change)

I never change, I'm too stuck in my ways, I never change

Who you know like Hov'?

(Never, never, never, never change)

I'm still fuckin' with crime 'cause crime pays

(I never change)

Out hustlin', same clothes for days

(I never change)

I never change, I'm too stuck in my ways, I never change

This is Jay, every day

Who you know like Hov', what nigga?

Jay what? Jay
