Welcome,  
To tha,  
Future  
Hey count me in  
Find me a nice soft place to land  
I'm so high  
Find me a place to land  
Yeah  
Right there  
Yeah

(Verse 1)

I'm so tomorrow, they order mines on yesterday  
Which means you on-time than late  
So even if I slow it down,  
My sound is fast forward  
Hold up  
I'm just a runway show  
But I wear this on my plane in these my runway clothes  
Cashmere sweats  
They come out next year, but they my last year sweats  
And my hoe's so sick,  
Your new chick can't fuck with my old bitch  
And you know this shit,  
I'm professional, they know this is  
I just may let you borrow this,  
This the Blueprint nigga follow this  
This is what what tomorrow is,  
Welcome to tomorrow Bitch

(Hook)

Drizzy Drake  
Whatever you about to discover We off that  
You about to tell her you love it, we off that  
Always want to fight in the club and we off that  
But you can't bring the future back  
Ya'll steady chasing the fame, we off that  
Oversize clothes and the chains, we off that  
Niggas still makin' it rain and we off that  
But you can't bring the future back

Tell them hatas get off me

Chris we off that  
Timbs we off that  
Rims we off that

Jay-Z  
Yeah we off that  
Is you still on that  
And we still making money  
Cuz we still on that

(Verse 2)  
Say black versus white, my niggas we off that  
Please tell Bill O'Reilly to fall back  
Tell Rush Limbaugh to get off my balls  
This 2010 ain't 1864  
Yeah we come so far  
So I drive around town hard top and it's off  
And my trop at the loft with my high brow Ah and my  
high yellow broad  
And my dark skin sense and my best white mate say  
what's up to Chris  
Hows that for a mix  
Got a black president, got green presidents  
Blue prints in my white iPod  
Black diamonds in my Jesus piece, my God  
We ain't tripping off that  
This is a Benetton ad, nigga been up off that

(Verse 3)

I don't give a fidduck, abibout the riddade  
You used to move, what you used to do  
And I don't give a fidduck abibout the bitches  
That you used to screw but your future do  
And we don't really care what you used to say  
Unless that effects your future pay  
I'm on a practice field running two-a-days  
So I don't drop the ball when it's threw my way  
I don't give a fidduck, abibout the shit that  
You probably did who you probably is  
The only time I deal in past tense  
Is I'm past rims and I'm past tints  
If you driving it, I drove it,  
If you got it, cause I sold it  
You copped it, I bought it back  
We don't give a fidduck Nigga we off that
