Uhh, y'all know what this is
Now would be a good time to start bobbin' your heads
Kels and it, and it, uhh

Excuse me miss, don't mean to interrupt
But you're the hottest chick in this club
The way you shake your ass to this beat
It's like your booty got dancin' feet
I wanna take you home, in my hummer jeep
All over me while you ridin' the beep beep
I just really wanna taste your ice cream
It's the weekend baby I got the [Incomprehensible]

Go on girl, the way you do me
This is somethin' like a fantasy
You're that girl from the magazine
BET or MTV
So baby let me take you to my ecstasy
Pull up to the club on them 23's
Girl you've got that shit in your hip
That make me wanna spend, money

Pretty girls, where you at?
I'm talkin' to the ones, that came alone
Pretty girls put your hands up
The single ones, we wanna take you home, c'mon
Pretty girls you make me wanna shout let's go

Whether you tall like Lisa Leslie
Or short like the barrel on that baby 380
Pretty lady, I got a ride to fit yo' frame
From the Coupe to the big Mercedes
It's Christmas Day, babe
These groundhogs stay with the cash
And the black card don't got no max

Fall, back, blow on some Marrakesh hash
With more Manolos than Sarah Jess had
How you gon' go back to dudes with little stacks
Little kiddie chromes in they itty bitty homes?
Fuckin' up your lungs, puffin' that homegrown
You should be with us, cuttin' in Hong Kong

Straight shots of Patron or Dom Perignon
Guys your girls say Shawn very long
So if you ain't afraid of catchin' a love Jones
Get with Coach Dean Smith, bitch get in the zone,
c'mon

Pretty girls, where you at?
I'm talkin' to the ones, that came alone
Pretty girls put your hands up
The single ones, we wanna take you home, c'mon
Pretty girls you make me wanna shout let's go

Tell me what you're drinkin' at the bar ma
I'm gonna buy ma, anybody tell you, you is a star ma
You remind me of my car ma, no ignition
I start the coupe up from the kitchen
My pretty girls get plenty attention
When it comes to sex get plenty of inches
We shop, like we all broke detention
Club like we at a alcoholic's convention
Hit the 'tel with two chicks and she with it
Mama got down like the flo' when she did it
Pretty girls, keep shakin' ass now mama
This party is not over

Pretty girls, where you at?
I'm talkin' to the ones, that came alone
Pretty girls put your hands up
The single ones, we wanna take you home, c'mon
Pretty girls you make me wanna shout let's go

What's your name, what city you represent ma?
Where the hands on all the pretty girls ma?
For the players and the hustlers in the club now
And all my niggaz that be sippin' pimp juice now

Pretty girls
I'm talkin' to the ones, that came alone
Pretty girls
The single ones, we wanna take you home
Pretty girls let's go
