JAGS

I'm rollin down your block window down in the escalade
pullin down my gucci shades smilin at the girlie with
the ben

and jerry taste. I'm the artist that supplies mtv with
backstage

access to my tour be in the strip bar folding out my doll
slippin it

in a ho's drew. I'm at the mall signing atupgraphs and
opening

the cermony to my own clothing store. I'm the manager
of my empire

in the v.i.p smokin dubs waiter tell the bar tender I want
some champagne put it on my tab. My hometown call
me the motavated when my album stats in number 1 i

be amongst the greaters. Me and

my team only flash in bentleys stylish gear from finni
doll when we making a hot! video explicit rhymes I

paying out cheques to the cats of the industry it not the
rappers its the business men who the thieves to me. I'm

the godfather of rap send me letters with fantasy you
know are wack be like me hussle and make it on the

hmv racks. I'm getting fans wanting me to meet them
on tv shows customers buggin because my cd not on

for search napster shut down burnt like a crisp offeres
from commercial new edition i running this circuit my

daily job is burning. I poppin it up like a g fully clover on the cover sipping soda interviews unsecenered scenes from dvds. I'm submitted in the game drafted up to unleash a pain. I'm that J for the justice A for analyz jewelrly dealer undercover for ice chains. G for the gangsta S for the speedy the miles when i spit baller you gotta admitt.

PRANKSTER

Most wanted public enemy scale depends on my bendz booast up that ride update that fendz. Voice activated this is the ulatimate hip-hip collerbration. chip on the system loosen your belt fading competition prize gifts your only on a warning if double cross in the dirt. I'm the devastor the hacker the narrotor now i got ice i'm the illegal investagator. I roll the dice decide for you to be in sight. I'm the loical botlegger more daily jobs then cheavy chase movie hit roles scriptures I be the stand up comedian in case. I'm insert through the radio air waves you buy this record or i want come out to your community and give you your first pay check. Estamite the counters i wanna in las vegas trips to the jamicans puff dealer plus I got the game wrapped like a mummy down at the licker store sipping on some hennesy back swoolen by a honey. my arms are so brezzy I got more grorcerys then a supermarket store making new projects punisher of the game arrange tour dates. Sending messages addicted to the fame porn king a-list guest you gotta celebreate when i step in to your state. Billboards be lebaling my name t-shirts with the design on the back saying murder wasn't the case. Police wanna question me about b.i.g death saying i fled from the murder scene wearing a bulletproof vest. I host the houseparties sharing my barcardi smoke it up gotta double it up flossin on the scene of fortune magazine. Peeps can't handle the chronic lay low and vomit the shit i drop is like a drama series you don't expect what gonna happen next unleash me off these chains and i sweep these playas up with my gloated sound and the national guard better creap and hold me down.

NOTORIOUS

Why these buff girls be acting up and all these g's be laughing up my crowd on tour be bouncing up my record sales incresing so i be flocking up. I hold the the tittle of fame you envy playas want to delete me from the game I got contacts importing the turbo me the new range the whole street light up when it a bbq day. Taken my peeps on the road thats how i ride smoke the puff once in a while. Hooked up stylish gear who looking fly I give you a interview about my biography but the money gotta be in a envelope by the media

side. Tax man wanna decrease are profits doing photo section clinging onto 50 a week rolling down that red carpet after show bashes total the cash funds i give to my community I'm the president of the white house figures stable like a jigga girl turn the lights out. Album cover shoots girls in high heel boots my talent on search sorry i signed for smoke it up first.

Industry got me sealing deals with nike, gap the whole deal. I'm the new soulution project from high school balling down at times square battering the ball up as i curve to the left. Microsoft an investment to install pc all the drama because cats wanna copyright my lyrics heated up in the zone as i dribble past classic stats rumbling facts and iwear the cap front to back.

Festavivals need to elect me as there attention bring in the customers for there tickets you even wanna downlaod my image backstage gambling off my earning.

LIL AFFICIAL

Yo I been selected for the draft of mtv dribbling my way to the nomines collecting the award for mvp there criminal offenses the sisutation leads on to me. I grill cook up the game heavyweight champ defending my fame. I fuel up my drive fans asking questions where i got my rhymes something depending inside. Hot prospect signing contratcs for a luxery home I'm the juvenile in L.A v.i.p creaper in the clubs low key could be under status from the m.i.b . I'm on every poster at the mall me and my smoke up fam afficial jags and the n.o.t prankster ozone the new mtv production team. I'm the rapstar the achiver the model dater the one who holds the thrown writes the pen ins. usually was a outkast now the doll folding out my pockets g's were shocking. I make flowing teens audition writing sa's under my promission put there grade on the card i'm working too hard. We wearing the shiny boots when this shifts over i blow the whistle we off the hizzle. I print is dedicated to are streets comnig of age we new promoted thieves. Every media section got a column on us we hiring strip dancers to shake there booty for us. There be a sudden death who there gonna call up the s.a.s barcadi and brnady mix it till there ain't nothing left. We got are own priavte planes opening acts crowd be acting up be poppin and watching as the rap system be laughing up.

CHORUS

Yo bounce bounce feel the cash amount.
The money gets thicker so does the licker.
Girls be lip lockin i vocial be droppin and
cable tv be playing us non-stoping.
