(Nicole Wray)

[1st Verse]

I don't even know at all
Sometimes I want it all
Sometimes I go to hard
And suddenly I fall apart
Don't even sleep at all
Wondering if it's true or false

[B- Sect]

Head is spinning, wish I didn't love him
(My life, my life, my life, my life)
But I did

[B-Sect 2]

And no I don't know it all
I'm moving way to fast
Catching up with the fire
Knowing this thang ain't gonna last
But I tried it all
I just learn to take the lost
And move on
(Whoo, whoo, ooh, oh)

[Chorus]

This is rule number one
Where I'm from
Gotta learn to live wit regrets
I know you feel the pain
(Gotta keep ya head)
Everyday
Gotta learn to live wit regrets

This is rule number one
Where I'm from
Gotta learn to live wit regrets
I know you feel the pain
(Gotta keep ya head)

Everyday
Gotta learn to live wit regrets

[2nd Verse]

I don't even know at all
But I know in life we must feel pain
Especially when the bills ain't paid
It's hard to keep smiling much these days
Now please take it all away
Cause I'm moving
Can't be wasting time

[B-Sect 1]

Head is spinning, wish I didn't love him
(My life, my life, my life, my life)
But I did

[B-Sect 2]

And now I don't know it all
Wish hurt would go away
Don't wanna cry today
I'll just walk away
Pretend to see a better day

[Chorus]

This is rule number one
Where I'm from
Gotta learn to live wit regrets
I know you feel the pain
(Gotta keep ya head)
Everyday
Gotta learn to live wit regrets

This is rule number one
Where I'm from
Gotta learn to live wit regrets
I know you feel the pain
(Gotta keep ya head)
Everyday
Gotta learn to live wit regrets

[Jay-z Verse]

I found myself reminiscin, remember this one
when he was here he was crazy nice with his son
I miss him, long as I'm livin he's livin through memories
He's there to kill all my suicidal tendencies

In heaven lookin over me, or in hell, keepin it cozy
I'm comin, life on these streets ain't what it's supposed
to be
Remember Newton, mutual friend well me and him
feudin
On your life I tried to talk to him
But you know niggaz, think they guns can stop four
niggaz
Frontin like they're, Big Willie but really old niggaz, hoe
niggaz
This year I'm sho' niggaz think I'm slippin
I'm bought to send you a roommate, no bullshittin
For my hustle's goin too well to hit him
You was right niggaz want you to be miserable wit em
Anyway, I ain't tryin to hear it,
I think I'm touched this whole verse I been talkin to your
spirit, a little too much

[Jay-z's chorus]

This is the number one rule for your set
In order to survive, gotta learn to live with regrets
On the, rise to the top, many drop, don't forget
In order to survive, gotta learn to live with regrets
This is the number one rule for your set
In order to survive, gotta learn to live with regrets
And through our travels we get seperated, never forget
In order to survive, gotta learn to live with regrets
