Fellas, a few tips, when you're in the club
You must watch your girl, because she may end up with
me

Track Masters
Turn the music up
Rock Land
Hova
Yes, yes

Now somebody's girl is in my mansion
Shakin' that ass to this
And somebody's girl is in my hot tub
Drinkin' that glass of Christ'
And somebody's girl is in my bedroom
And man she's a super freak
And somebody's girl is leavin' my crib
Now on to the next booty

I don't mean no harm
But your boy got the magic stick, the Don Juan
Bishop, chicks'll disappear in thin air
Like mist or some shit like this I swear
I take handcuffs off misses, I pick locks wicked
I catch your eye 'cause my tick-tock's frigid

My necklace glisten, all reckless chicks is eyeballin',
yeah
And I caught 'em like perfect pitches
Call me Mike Piazza once I get 'em in, my fly casa
It's hot tubs, heated pools and no rules
Call your old dude and tell him he old news
Tell that fella you feel like Cinderella
With both shoes and it's almost two
Fuck a storybook endin', we bendin' the rules
This is somebody's girl part two, move

Now somebody's girl is in my mansion
Shakin' that ass to this
And somebody's girl is in my hot tub
Drinkin' that glass of Christ'
And somebody's girl is in my bedroom
And man she's a super freak

And somebody's girl is leavin' my crib
Now on to the next booty

Let me at it, somebody's girl is sittin' in my lap
Whisper two words and we both break out
My Maybach seats is just as big as a couch
Not the same girl now that the mic's at your mouth
Come on now let's get nasty, let's get naughty
Rollin' around like a fo'-wheel after party
We stop at a red light, there go your girls and 'em
Now we got the green light, driver follow them

You're rotatin' with a guy that spend money like the
world spin 'round
First guy to ever put the singin' rap down
Say the name Kels and these chicks spellbound
Because these chicks know I put the "12Play" down
I gotta have it, I just can't stop limp'in'
Maybe because I just can't stop pimpin'
No matter what I do, I can't stop leanin'
When the fresh Prada's on and the sun is shinin'

Girls it's your boyfriend
With that remix that keeps you clubbin'
Dis collabo' crack got you fiendin'
The industry kings and the rest is dreamin'

Now somebody's girl is in my mansion
Shakin' that ass to this
And somebody's girl is in my hot tub
Drinkin' that glass of Christ'
And somebody's girl is in my bedroom
And man she's a super freak
And somebody's girl is leavin' my crib
Now on to the next booty

The moral of the tale, if you love your tail
Treat her well, keep her 'way from Hov' and Kel'
Because we can't stop pimpin'
We put it on her 'til she can't stop limp'in'
She'll be a goner, you can play tough guy on the corner
I smoothe her out in the sauna
Yeah, I blew it out in the Bahamas, yeah
Your lil' mama got a stellar arm
We got it on like a telethon
Mr. Roc-A-Fella, gone

Now somebody's girl is in my mansion
Shakin' that ass to this
And somebody's girl is in my hot tub
Drinkin' that glass of Christ'

And somebody's girl is in my bedroom
And man she's a super freak
And somebody's girl is leavin' my crib
Now on to the next booty
