I don't care if you Mobb Deep, I hold triggers to crews
You little FUCK, I've got money stacks bigger than you
When I was pushin weight, back in eighty-eight
you was a ballerina I got your pictures I seen ya
Then you dropped "Shook Ones," switch your
demeanor
Well - we don't believe you, you need more people

Roc-A-Fella, students of the game, we passed the
classes
Nobody could read you dudes like we do
Don't let 'em gas you like Jigga is ass and won't clap
you
Trust me on this one - I'll detach you
Mind from spirit, body from soul
They'll have to hold a mass, put your body in a hole
No, you're not on my level get your brakes tweaked
I sold what ya whole album sold in my first week
You guys don't want it with Hov'
Ask Nas, he don't want it with Hov', nooooo!

I know you missin all the - FAAAAAAAME!
But along with celebrity comes bout seventy shots to
your brain
Nigga; you a - LAAAAAAAME!
Youse the fag model for Karl Kani/Esco ads
Went from, Nasty Nas to Esco's trash

Had a spark when you started but now you're just
garbage
Fell from top ten to not mentioned at all
to your bodyguard's "Oochie Wally" verse better than
yours
Matter fact you had the worst flow on the whole fuckin
song
but I know - the sun don't shine, then son don't shine
That's why your - LAAAAAAAME! - career come to a end
There's only so long fake thugs can pretend
Nigga; you ain't live it you witnessed it from your folks
pad
You scribbled in your notepad and created your life
I showed you your first tec on tour with Large Professor
(Me, that's who!) Then I heard your album bout your tec
on your dresser
So yeah I sampled your voice, you was usin it wrong
You made it a hot line, I made it a hot song
And you ain't get a corn nigga you was gettin fucked
and
I know who I paid God, Serchlite Publishing
Use your - BRAAAAAAAIN! You said you been in this ten

I've been in it five - smarten up Nas
Four albums in ten years nigga? I could divide
That's one every let's say two, two of them shits was
due
One was - NAHHH, the other was "Illmatic"
That's a one hot album every ten year average
And that's so - LAAAAAAME! Nigga switch up your
flow
Your shit is garbage, but you try and kick knowledge?
(Get the fuck outta here) You niggaz gon' learn to
respect the king
Don't be the next contestant on that Summer Jam
screen
Because you know who (who) did you know what (what)
with you know who (yeah) but just keep that between
me and you for now

R.O.C., we runnin this rap shit
M-Easy, we runnin this rap shit
The Broad Street Bully, we runnin this rap shit
Get zipped up in plastic when it happens that's it
Freeway, we run this rap shit
O & Sparks, we runnin this rap shit

"Watch out!! We run New York" -> *[KRS-One]*

A wise man told me don't argue with fools
Cause people from a distance can't tell who is who
So stop with that childish shit, nigga I'm grown
Please leave it alone - don't throw rocks at the throne
Do not bark up that tree, that tree will fall on you
I don't know why your advisors ain't forewarn you
Please, not Jay, he's, not for play
I don't slack a minute, all that thug rappin and
gimmicks
I will end it, all that yappin be finished
You are not deep, you made your bed now sleep
Don't make me expose to them folks that don't know
you
Nigga I know you well, all the stolen jew-els
Twinkletoes you breakin my heart
You can't fuck with me - go play somewhere, I'm busy
And all you other cats throwin shots at Jigga
You only get half a bar - fuck y'all niggaz
