I've been thinking about you, my love  
And all the crazy things that you put me through  
Now I'm coming around, throwing it back to you  
Were you thinking of me, when you kissed him  
Could you taste me when you licked his skin  
And all the while I showered you with trust and  
promises  
What I'm needing now is some sweet revenge  
To get back all that I lost then  
I gave you all I had to give, but I could never reach you

Chorus:

Adrienne, I thought I knew you  
Once again, you used me, used me  
Adrienne, I should have left you  
Long before you used me, used me up

Spent my money, drove my car  
I treated you like a shining star  
But in my sky all burnt out you are  
And I'll have the last laugh, when I see you walking with  
some other guy  
'Cause I know you are gonna end up all alone  
So take these words, some good advice  
All you've done's gonna come back twice  
You never cared how much it hurt, I really need to tell  
you

Chorus

What I'm needing now is some sweet revenge  
To get back all that I lost then  
I gave you all that I had to give, but I could never reach  
you

Chorus
