Fade away, fade away, fade away  
Fade away, fade away  
Fade away, fade away, fade away  
Fade away, fade away, fade away

You left me with goodbye and open arms  
A cut so deep I don't deserve  
Well you were always invincible in my eyes  
And the only thing against us now is time

Could it be any harder to say goodbye and without you  
Could it be any harder to watch you go, to face what's  
true  
If I only had one more day  
Fade away, fade away, fade away

I lie down and blind myself with laughter  
Well a quick fix of hope is what I'm needin'  
And how I wish that I could turn back the hours  
But I know I just don't have the power, yeah

Could it be any harder to say goodbye and without you  
Could it be any harder to watch you go, to face what's  
true  
If I only had one more day

Well I'd jump at the chance, we'd drink and we'd dance  
And I'd listen close to your every word  
As if it's your last, but I know it's your last  
'Cause today, you're gone

Could it be any harder  
Yeah fade away, fade away, fade away  
Could it be any harder  
Yeah fade away, fade away, fade away  
Oh yeah yeah, could it be any harder to live my life  
without you?  
Could it be any harder? I'm all alone, I'm all alone

Like sand on my feet  
The smell of sweet perfume  
You stick to me forever baby

I wish you didn't go, I wish you didn't go  
I wish you didn't go away

To touch you again  
With life in your hands  
It couldn't be any harder, harder

Fade away  
Fade away  
Fade away
