Once upon a time, yeah
Somewhere far away from here, alright
I was drownin' in a deep sleep
I got no ground beneath my feet

An' there's so many faces
But I'm New York an' I'm Japan, oh oh, yeah
There's so many things that I wanna know
But I'll never understand, oh oh yeah

Now I'm dreamin' in red
Just driftin' away
Oh, yeah, I'm dreamin' in red
Come an' take me away

I just got to get it right
Oh, before I make it wrong
Yeah, 'cause I'm breakin' out an' risin' up
While the world is fallin' down, oh oh, yea yea yeah

Now I'm dreamin' in red
Just driftin' away, oh oh
Yeah, I'm dreamin' in red
Come an' take me away, oh oh
Just take me away
Ooh, I'm dreamin' in red

Well I see the sun behind the night sky
One last moment before I say goodbye
Aae yea yeah

Once upon a time, yeah
Somewhere far away from here, alright

Now I'm dreamin' in red
Just driftin' away, oh oh
Yeah, I'm dreamin' in red, ooh ooh
Come and take me away

Oh oh, I'm dreamin' in red
Just driftin' away, oh oh
Yeah, but I'm dreamin' in red, ooh

Come and take me away
