Well I am a vision, I am justice
Never thought that I could love
Living in shadows, faded existence
It was never good enough

Within the darkness
You are the light that shines away
You're trapped in violence
I can be the man who saves the day

I'm there for you, no matter what
I'm there for you, never giving up
I'm there for you, for you

Someone has changed me, something saved me
Now this is who I am
Although I was blinded, my heart let me find it
That truth makes a better man

I didn't notice
When you were right in front of me
Our mask of silence
We will put away so we can see

I'm there for you, no matter what
I'm there for you, never giving up
I'm there for you, for you
For you

Within the darkness
You are the light that shines away
In this blind justice
I can be that man who saves the day

I'm there for you, no matter what
I'm there for you, never giving up
You know it's true, you were there for me
And I'm there for you, well for you
Well for you, well for you
