Haven't been more alone
I'm sinking like a stone
seems everything i knew
no longer gets me thru
this madness can't take it now
everything i plan
does crumble into sand
slipped into the sea
would someone please save me
from this pain
cause i'm going insane

so take hold of me
take hold of me
yeah take hold of me
and never let me go
don't let me go

the people are leaned on
one blink and they are gone
so i turn to you
to pour my lost soul
out of this love
dying for love

so take hold of me
take hold of me
yeah take hold of me
and never let me go
don't let me go

can you see me
find me
free me

just take hold of me
yeah take hold of me
ohh well take hold of me
i've got nowhere left to go

take hold of me
ooh take hold of me

yeah take hold of me
and never let me go

i'll be alright
i'll be alright
i'll be alright
