Well I would like to think  
The world hasn't seen  
That all the best is still to come  
And I know life ain't easy

I pass them sleeping on the streets  
Their bloodstained hands and dirty feet  
And I can't ignore them  
Any more then I already have

So we laugh, and we smile  
And we play our games of sweet denial  
But don't tell me we're forgiven  
If we hold, all our breath  
If we kneel right down and just repent  
You can't tell me we're forgiven

Start with me I cannot lie  
When my heart doesn't follow my eyes  
Turn away from all the suffering  
That surrounds our time on this earth

Some their life has been a curse  
I say I'm sorry and I should change  
You know it just could be me someday

So we laugh, and we smile  
And we play our games of sweet denial  
But don't tell me we're forgiven  
If we hold, all our breath  
If we kneel right down and just repent  
You can't tell me we're forgiven

There's no way out of here  
I don't want to die, and leave it all behind, yeah  
Each day part of me disappears  
But who am I to judge, what's been sent from above

And so we laugh, and we smile  
And we play our games of sweet denial  
But don't tell me we're forgiven, yeah  
If we hold, all our breath

If we kneel right down and just repent  
You can't tell me we're forgiven

We can't laugh, we can't smile  
When so much just ain't right  
Well it can't go on forever  
If we hold, our breath  
If we kneel right down and repent, yeah  
You can't tell me we're forgiven

Well you can't tell me we're forgiven  
Yeah, yeah
