So lately been wondrin'
who will be there to take my place
when i'm gone you'll need love
to light the shadows on your face
if a great wave shall fall
it would fall upon us all
and between the sand and stone
could you make it on your own

If i could then i would i'll go wherever you will go
way up high or down low
I'll go whewrever you will go

And maybe i'll find out
the way to make it back some day
to watch you to guide you
through the darkest of your days

if a great wave shall fall
it would fall upon us all
well i hope there some one out there
to bring me back to you

if i could then i would
i'll go wherever you will go
way up high or down low
i'll go wherever you will go

run away with my heart
run away with my hope
run away with my love

i know now just quite how
my love ang love might still go on
in your heart anh in your mind
i'll stay with you for all the time

if i could then i would
i'll go where ever you will go
way up high or down low
i'll go where ever you will go

if i could tuen back time
i'oll go wherever you will go
if i could make you mine
i'll go where ver you will go

i'll go wherever you will go.....
