So lately, been wondering  
Who will be there to take my place  
When I'm gone you'll need love  
To light the shadows on your face

If a greater wave shall fall  
And fall upon us all  
Then between the sand and stone  
Could you make it on your own?

If I could, then I would  
I'll go wherever you will go  
Way up high or down low  
I'll go wherever you will go

And maybe, I'll find out  
A way to make it back someday  
To watch you, to guide you  
Through the darkest of your days

If a great wave shall fall  
And fall upon us all  
Well then I hope there's someone out there  
Who can bring me back to you

If I could, then I would  
I'll go wherever you will go  
Way up high or down low  
I'll go wherever you will go

Run away with my heart  
Run away with my hope  
Run away with my love

I know now, just quite how  
My life and love might still go on  
In your heart, in your mind  
I'll stay with you for all of time

If I could, then I would  
I'll go wherever you will go  
Way, way up high or down low

I'll go wherever you will go

If I could turn back time  
I'll go wherever you will go  
If I could make you mine  
I'll go wherever you will go  
I'll go wherever you will go
