## "Why Don't You & I"

Visit "[Why Don't You & I](#)" on MotoLyrics.com

Since the moment I spotted you  
I walk round with little wings on my shoes  
My stomach's filled with the butterflies...and it's alright  
Bouncing round from cloud to cloud  
I got the feeling like I'm never gonna' to come down  
If I said I didn't like it then you know I'd lied

Every time I try to talk to you  
I get tongue-tied  
Turns out everything I say to you  
Comes out wrong and never comes out right

So I'm singin' Why don't you and I get together and  
take on the world  
And be together forever  
Heads we win and tails we'll try again  
So I'll say why don't you and I hold each other and fly to  
the moon  
And straight on to heaven  
Cause without you they're never going to let me in'

When's this fever going to break?  
I think I've handled more than any man can take  
I'm like a love-sick puppy chasing you around...and it's  
alright  
Bouncing round from cloud to cloud  
I got the feeling like I'm never going to come down  
If said I didn't like it then you know I'd lied

Every time I try to talk to you  
I get tongue-tied  
Turns out everything I say to you  
Comes out wrong and never comes out right

So I'm singin' Why don't you and I get together and take  
on the world  
And be together forever  
Heads we win and tails we'll try again  
So I'll say why don't you and I hold each other and fly to  
the moon  
And straight on to heaven  
Cause without you they're never going to let me in'

And slowly I begin to realize this is never gonna to end  
Right about the same time you walk by  
And I say 'Oh here we go again'Oh!

Every time I try to talk to you  
I get tongue-tied  
Turns out everything I say to you  
Comes out wrong and never comes out right

So I'm singin' Why don't you and I get together and  
take on the world  
And be together forever  
Heads we will and tails we'll try again  
So I'll say why don't you and I hold each other and fly to  
the moon  
And straight on to heaven  
Cause without you they're never going to let me in'  
Repete X3
