Yeah, alright let's go

Give me your love  
Give me your love  
Give me your love

Hey, you gotta bounce to it like this  
You almost kinda watching this  
Escape

Boy your love's so good  
I don't wanna let go  
And although I should  
I can't leave you alone  
'Cause you're so disarming  
I'm caught up in the midst of you  
And I cannot resist  
And oh

Boy I can do  
The things you want me to  
The way I used to do  
Could you love me, baby?  
Holdin' me, feelin' me  
Baby, go and break my heart

Heartbreaker, you got the best of me  
But I just keep on coming back incessantly  
Oh why, did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart

Give me your love  
Give me your love  
Give me your love

It's a shame to be so euphoric and weak  
When you smile at me  
And you tell me the things that you know  
Understatement to relinquish my love to you  
But I cannot resist at all

Boy I can do the things you want me to  
The way I used to do  
Could you love me, baby?  
Holdin' me, feelin' me  
Baby, go and break my heart

Heartbreaker, you got the best of me  
But I just keep on coming back incessantly  
Oh why, did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart

She wanna shop with Jay, play box with Jay  
She wanna pillow fight in the middle of the night  
She wanna drive my Benz with five of her friends  
She wanna creep past the block spyin' the game  
She wanna roll with Jay, chase the skeeos away

She wanna fight with lame chicks, blow my day  
She wanna inspect the rest, kick me to the curb  
If she find a strand of hair longer than hers  
She want love in the Jacuzzi, rub up in the movies  
To the old crib, keys to the newbie

She wanna answer the phone, tattoo her arm  
That's when I gotta send her back to her moms  
She call me heartbreaker when we apart, it makes her  
Wanna get a piece of paper, scribble down "I hate ya"  
But she know she love Jay because she love everything  
Jay say, Jay does and uh

Heartbreaker, you got the best of me  
But I just keep on coming back incessantly  
Oh why, did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart

Heartbreaker, you got the best of me  
But I just keep on coming back incessantly  
Oh why, did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart

Heartbreaker, you got the best of me  
But I just keep on coming back incessantly  
Oh why, did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart

Heartbreaker, you got the best of me

But I just keep on coming back incessantly  
Oh why, did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart

Give me your love  
Give me your love  
Give me your love
