Young and restless, loveless nation
Comb your hair back, goodbye mother.

Everybody waits for war, son
Everybody waits for war.
Everybody waits for war, son
Everybody waits for war.

Young and restless, loveless nation
Comb your hair back, goodbye mother.

Everybody waits for war, son
Everybody waits for war.
Everybody waits for war, son
Everybody waits for war.
Everybody waits for war, son
Everybody waits for war.
Everybody waits for war, son
Everybody waits for war.
