Baby tell me why
It's so hard to love you
No matter how I try
What's a man to do
All you do is break my heart
And make me blue
Baby why's it so hard to love you

Cause I die
Inside
Every time you say goodbye
And I hide
These Tears I Cry
Baby, Why's it so hard to love you

Honey tell me why
You're always leavin'
You never say goodbye
Out that door you're creepin'
I'm tired of all your lies
And all your cheatin'
Baby why's it so hard to love you

'Cause I die
Inside
Every time you say goodbye
And I hide
These tears I cry
Baby why's it so hard to love you

And every night I pray
That I'll hear you say
That you will always be my baby
But lord until that day
I'll keep on watching you walk away

Cause I die
Inside
Every time you say goodbye
And I hide
These tears I cry

Baby, why's it so hard to love you

Tell me why

Why it's so hard to love you

Why it's so hard to love you
