Minutes fly, pushin' the time
Chasin' me down like a prison break
Seems every moment I'm rushin' through
Blink of an eye, speeds on by
Won't slow down no matter what I say
Just when I don't know what to do
I turn to you, cause

You slow me down
You take me off this crazy ride
You show me how
To let it all just b alright
As fast as this world spins around
You always know the way
You slow me down

Looking back, times I had
Fading away like a ghost town
Nothing left to hold on to
Lovers come, lovers go
So many nights I just burned away
I never knew what love could do
Till I found you

You slow me down
You take me off this crazy ride
You show me how
To let it all just be alright
As fast as this world spins around
You always know the way
You slow me down

And you slow me down
You take me off this crazy ride
You show me how
To let it all just be alright

You slow me down
You take me off this crazy ride
You show me how
To let it all just e alright

As fast as this world spins around
You always know the way
You slow me down

Yeah you slow me down
You slow me down
