Break it to them gently when you tell my Mom and Dad  
When you see my baby sister be as kind as you can  
And break it to my Grandma, who said "That boy's wild  
and bad"

Break it to them gently when you tell them that I won't  
be coming home again

Cause I'm running with a gun and it isn't any fun as a  
fugitive

Fightin' for my life and I don't know if I'll make it alone  
Running with a gun and it isn't any fun as a fugitive  
God I wanna go home  
Lord I wish I was home

When you see my lady with the twinkle in her eyes  
Tell it to her softly and hold her if she cries  
Tell her that I love her and I will till the day I die  
Break it to her gently when you tell her that I won't be  
coming home again

I got in too deep with strangers  
Thinking they could help me find my way  
But nobody warned me of the dangers  
And it's always the young and foolish that have to pay

So break it to them gently when you tell my Mom and  
Dad  
Thank them for the good years and all the lovin' that I  
had  
And break it to my Grandma, who said "the boy is wild  
and bad"  
Break it to them gently when you tell 'em that I won't be  
comin' home again

Cause I'm running with a gun and it isn't any fun as a  
fugitive  
Fightin' for my life and I don't know if I'll make it alone  
Running with a gun and it isn't any fun as a fugitive  
God I wanna go home  
Lord I wish I was home

You gotta break it to them gently

You gotta break it to them gently  
You gotta really try and soothe them  
You gotta really try and soothe them  
You gotta roll it to my mother  
You gotta roll it to my grandma  
Roll the old lady  
Roll it to my mother  
And my sister and my brother  
Roll the old lady  
Roll it to my grandma  
Because she's damn near 80  
And Roll the old lady  
Roll it to my mother  
My sister and my brother

Break it to them gently when you tell them  
That I wont be coming home again
