Baby tell me why  
It's so hard to love you  
No matter how I try  
What's a man to do  
All you do is break my heart  
And make me blue  
Baby why's it so hard to love you

Cause I die  
Inside  
Every time you say goodbye  
And I hide  
These Tears I Cry  
Baby, Why's it so hard to love you

Honey tell me why  
You're always leavin'  
You never say goodbye  
Out that door you're creepin'  
I'm tired of all your lies  
And all your cheatin'  
Baby why's it so hard to love you

'Cause I die  
Inside  
Every time you say goodbye  
And I hide  
These tears I cry  
Baby why's it so hard to love you

And every night I pray  
That I'll hear you say  
That you will always be my baby  
But lord until that day  
I'll keep on watching you walk away

Cause I die  
Inside  
Every time you say goodbye  
And I hide  
These tears I cry  
Baby, why's it so hard to love you

Tell me why  
Why it's so hard to love you  
Why it's so hard to love you
