If you don't want my love
If you don't want my love
Then I know who I'll give it to
If you don't want my love

If you don't know the thrill
That makes my heart stand still
If you don't feel the same appeal
Then I know one who will

If our kind of love can die
Then just say goodbye
I won't be crying

Now that you set me free
There's no regret for me
There's someone new
In place of you
If you don't want my love

If you don't want my love
If you don't want my love
Then I know who I'll give it to
If you don't want my love

Now that you set me free
There's no regret for me
There's someone new
In place of you
If you don't want my love
