Scarface you were out of place in ohio
Too bad you were out ahead and you're slowin'
You were feeling like a bomb without a target
Ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba

Look out joe I think the sky is falling
Seems that all the clouds have turned to stone
I'm calling you from somewhere deep in ohio
Bba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba

Skintight, you were up all night and it's showin'
So tough you were breakin' up over the wire
Well, I saw you heading up the muddy river
Ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba

Look out joe I think the sky is falling
Seems that all the clouds have turned to stone
I see the flashing lights along the highway
You sounded lost and desperate on the phone

Look out joe I think the sky is falling
Seems that all the clouds have turned to stone
I'm calling you from somewhere deep in ohio
Ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba-ba
