A little love that slowly grows and grows  
Not one that comes and goes  
That's all I want I from you

A sunny day with hopes up to the sky  
A kiss and no goodbye  
That's all I want I from you

Don't let me down, oh, show me that you care  
Remember, when you give you also get your share  
Don't let me down, I have no time to wait  
Tomorrow might not come when dreamers dream too late

A little love that slowly grows and grows  
Not one that comes and goes  
That's all I want I from you

[Instrumental-two verses]

Don't let me down, oh, show me that you care  
Remember, when you give you also get your share  
Don't let me down, I have no time to wait  
Tomorrow might not come when dreamers dream too late

A little love that slowly grows and grows  
Not one that comes and goes  
That's all I want I from you

That's all I want I from you
