"The Longest Walk"

Visit "[The Longest Walk](#)" on MotoLyrics.com

I took the longest walk
In the world last night
From your arms to your front door
I heard the saddest words
In the world last night
When you said you loved me no more

I wont believe it's true
I'll keep after you
Till we love like we loved before
And then the longest walk
Will be the shortest walk
Back to your arms once more

And then the longest walk
Will be the shortest walk
Back to your arms once more
Back to your arms once more
