Another turning point  
A fork stuck in the road  
Time grabs you  
By the wrist  
Directs you where to go  
So make the best  
Of this test  
and don't ask why  
It's not a question  
But a lesson  
Learned in time

It's something unpredictable  
But in the end it's right  
I hope you had  
The time of your life

So take the photographs  
And still frames  
In your mind  
Hang it on a shelf  
Of good health  
And good time  
Tattoos of memories  
and dead skin on trial  
For what it's worth  
it was worth all the while

(3x):  
It's something unpredictable  
but in the end it's right  
I hope you  
Had the time of your life
