(Doo-doo doo-doo, doo-doo)

Not one goodbye
From now until forever
Not one goodbye
From now on we're
Together

Though there'll be times
When goodbye seems ever so near.
At the thought of losing you, dear
I'm blue.

So I promise you
Not one goodbye
We'll leave that word unspoken.
Good reason why
But that's how hearts are broken

So hold me close
And I swear until I die
Not one,
Not one goodbye

[BRIDGE]

So, hold me close
And I swear until I die
Not one,
Not one goodbye

No, not one,
Not one goodbye
(Not one goodbye)
