(Mark Farner)

I'm in love with the girl
that I'm talking about
I'm in love with the girl
that I can't live without
I'm in love
but I sure picked a bad time
to be in love, to be in love
let her be somebody else's queen
I don't want to hear about it
there's too many others who know what I mean
and that's why I got to live without it
'cause I'm in love with the girl
I'm talking about
I'm in love with the girl
I can't live without
I'm in love
but I feel like I'm living it out
I'm in love
but I must have picked a bad time
to be in love
a bad time to be in love
a bad time to be in love
a bad time to be in love
all the stories coming back to me
about my friends and the people
I don't want to see

all the stories they just couldn't be true
at least not until I hear them from you
'cause I'm in love with the girl
I'm talking about
I'm in love with the girl
I can't live without
I'm in love
but I feel like I'm living it out
I'm in love
but I must have picked a bad time
to be in love
a bad time to be in love
a bad time to be in love
a bad time to be in love

'cause I'm in love with the girl
I'm talking about
I'm in love with the girl
I can't live without
I'm in love
but I feel like I'm living it out
I'm in love
but I must have picked a bad time
to be in love
a bad time to be in love
a bad time to be in love
a bad time to be in love
a bad time to be in love
(such a bad time) ...
