Darling today that you need me  
Darling today that I'm yours  
Won't you let my hearts around you  
Please let me be where you are

Chorus:  
You alone, you alone  
Make my dreams come true  
You alone, you alone  
You turn the colors twice  
I will always be yours  
Darling today

Darling today in the sunshine  
Darling today in the sunshine  
Calling me happy times, too  
Close to happy times, too  
Won't you remember me sometimes  
Won't you remember me  
Morning evening and night

(chorus)

And once I took a great fall  
Now it don't matter at all  
La, la, la  
La, la, la  
La, la, la, la, la, la, la, la, la

Darling today when I'm near you  
Only the two of us now  
See that you feels, I'm still there  
One that I loved for so long

You alone, you alone  
Make my dreams come true  
You alone, you alone  
You turn the colors twice  
I will always be yours  
I will always be yours  
I will always be yours  
Darling today
