## "Let The Last Night Be The Longest"

I walked the last mile home  
In this heart was born the shame  
Loving you no longer  
No matter what I tried  
The fear we shared tonight  
Keeps coming back to mind

I'll find an old barroom  
Settle in for good  
Forget about the past close behind me  
No matter what I tried  
The fear we shared tonight  
Keeps coming back to mind

Westbound train is leaving  
Darling, can't you see?  
Let the last night be the longest  
In a lonesome memory

I walked the last mile home  
In this heart was born the shame  
Loving you no longer  
No matter what I tried  
The fear we shared tonight  
Keeps coming back to mind

Sun up in the Midwest  
Darling, can't you see  
Let the last night be the longest  
In a lonesome memory

Oh, the westbound train is leaving  
Darling, can't you see?  
Let the last night be the longest  
In a lonesome memory

I'll find an old barroom  
Settle in for good  
Forget about the past close behind me  
No matter what I tried  
The fear we shared tonight  
Keeps coming back to mind

Sun up in the Midwest  
Darling, can't you see  
Let the last night be the longest  
In a lonesome memory  
Let the last night be the longest  
In a lonesome memory
