"Lightning Could Strike"

Visit "[Lightning Could Strike](#)" on MotoLyrics.com

I don't know.
Lightning could strike.

I've gotta go.

- Yeah. Listen, did I say
something wrong ? No ?
- No.

- No. No. It was--
- Sure ?

It was so right, it scares me.
That's all.

Just--

You know, I was thinking,
I don't want you to be my doctor.

I don't want you to...
examine me and--

Why ?

Because I like you so much.

[Chuckles]

And I-- I don't want
to examine you.

You don't ? Why not ?
- Because I like you so much.
- [Both Laughing]

Oh, boy. Okay.

Now I gotta go, so--

- Yep, understood.
- All right. All right.

Fair enough. See ya.

- Bye. Bye.

- Bye-bye.

sorprendido?....

; -)
