Yeah, some is good and some is bad
Brother, keep your faith on hand

On every side
On each street corner you will find
There are people in this place on every side

There's a Baptist ministry
In the church yard down the street

On every side
On each street corner you will find
There are people in this place on every side

Hey, do you know
What you're doing tonight, honey?
Hey, do you know what to do?
Yeah, I say, "Do you know
What you're doing tonight, darling?"
Hey, do you know what to do?

Yes, there's a barmaid on your sleeve
Talking dirty and drinking free

On every side
On each street corner you will find
There are people in this place on every side

Hey, do you know
What you're doing tonight, honey?
Hey, do you know what to do?
Yeah, I say, "Do you know
What you're doing tonight, darling?"
Hey, do you know what to do?

Yeah, some is good and some is bad
Brother, keep your faith on hand

On every side
On each street corner you will find
There are people in this place on every side
Yes, there are people in this place on every side
