Don't move ur mouth, it's useless to talk
it's useless to talk to a wall
and don't move ur legs, it's useless to walk
it's useless to walk if u fall

and when alls said n done we hit and we run
we hit and we run away
when alls said n done its really no fun
it's really no fun at all

so don't move ur mouth, it's useless to talk
it's useless to talk to a wall
and don't move ur legs cos u can't seem to walk
u can't walk if u fall

and when alls said n done we hit and we run
we hit and we run away
when alls said n done, it's really no fun
it's really no fun at all
